✓ Oral Cancer Treatment

- We will pay a single lump sum payment amount of €2,000, once per insured person per lifetime following the diagnosis of a primary oral cancer, made by a recognised specialist
- We will pay a separate lifetime maximum benefit of €3,000 towards the cost of oral rehabilitation including the placement of dental implants and other prosthetic devices to restore oral function following surgical treatment of oral cancer

Are there any restrictions on cover?

You are responsible for the first €100 (policy excess) of all Major Treatments per policy year. A separate annual maximum of €500 applies to crowns, inlays, onlays and veneers per policy year.

A separate annual maximum of €500 applies to dentures, bridge and implant supported crowns per policy year.

Waiting Periods

- There is a 3 month wait period for Basic Treatments
- There is a 12 month wait period for Major Treatments

Where am I covered?

You are covered to attend recognised dental practices in the Republic of Ireland, and for emergency treatment abroad.

What are my obligations?

You are required to:

- Make any premium payments within the required or agreed time
- Submit any claims within 12 months of the date of treatment
- Provide any information or documentation which we may request from you

When and how do I pay?

You must pay your premium when it becomes due for the duration of your policy. The policyholder is responsible for ensuring all payments are made. If you pay by debit or credit card you are required to pay in line with your payment schedule. All premiums owed must be paid within the policy term.

When does the cover start and end?

Your policy is a 12-month contract and will last for one year. The policy start and end dates are shown on your policy document.

How do I cancel the contract?

You have the right to cancel your policy without penalty and without giving any reason within 14 days of the date of you taking out cover or 14 days from the date you receive your policy documents, whichever is the later.
